

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TENNESSEE
At Chattanooga**

UNITED STATES OF AMERICA,

Plaintiff,

v.

No 1:15-cr-39
Judge Collier/Lee

ROBERT R. DOGGART,

Defendant.

THIRD SUPPLEMENT TO MOTION FOR BOND PENDING RE-SENTENCING

Robert Doggart, by and through counsel, files this third supplement to his pending motion for bail pending resentencing pursuant to 18 U.S.C. § 3143. (Doc. 327.)

Since Mr. Doggart replied to the Government's response, counsel for Mr. Doggart would show that she has heard from two separate sources that there is an active outbreak of Covid-19 in Mr. Doggart's unit at Lexington, FMC. Additionally, it is confirmed tonight on the BOP website that there are 5 positive inmates and 1 positive staff member.¹ Fayette County, Kentucky, in which the prison is located and from where staff members reside, reports 246 confirmed cases in the community which represents a rate of infection of 77.2 per 100k. In Hamilton County, by comparison, there are 152 cases in the community which represents a rate of infection of 42.5 per 100k. Thus being in Hamilton County, and sheltered-in-place with his family, puts him at less risk than his current situation.²

For these additional reasons, Mr. Doggart moves the Court to grant him bond pending his re-sentencing hearing, and to do so quickly so that he can be released to his daughter's custody and be able to shelter-in-place at her home.

Respectfully submitted,
